# xyngular products

## XYNG™

An all-natural nutritional supplement bursting with a blend of herbal ingredients, vitamins and minerals. Xyng is uniquely formulated to assist in increasing energy, improving focus, and making you feel more vibrant.

## XYPSTIX®

Single-serve, portable packets that include the incredible benefits of Xyngular's Super Fruit Global Blend, but with two more incredible ingredients: Aloe Vera and Xanthones.

## LEAN

A vanilla-flavored smoothie mixture full of essential amino acids and proteins. It helps boost energy levels and increases metabolism. At only 44 Calories per serving, it is an ideal snack or meal replacement.

## GLOBAL BLEND

Delivers nutritional support with three major types of nutrients: antioxidant-rich super fruits, critical primary antioxidant promoting nutrients, and an herbal blend of adaptogens.

## AXION™

A full-spectrum, Bi-Layer (sustained release) supplement that provides essential immune, cardiovascular, and metabolic support for your body. It contains vitamins, minerals, enzymes, probiotics and more.

## ACCELERATE

A thermogenic blend formulated to accelerate your metabolism, suppress your appetite, and increase your stamina so you can lose weight while staying focused and active throughout the day.

## FLUSH

A gentle organic daily cleanse formulated to support weight loss and energy by improving digestion, removing toxins and decreasing bloating to create a flatter stomach.

## CHEAT+

The original Cheat Formula in capsule form, but with a few new additions to help improve your overall health—green coffee bean to regulate blood sugar, and phytosterols that can help control cholesterol.

## CHEAT SPRINKLES

An all-natural coated fiber product from the Konnyaku root. You simply sprinkle Cheat on your food and when it hits your stomach it expands and creates a viscous gel, literally trapping a portion of the food you just ate.
